Dear Mr. Marquez:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report(s) discloses contributions designated for the 1999 Primary Election. While it is permissible for a committee to continue to accept contributions in order to retire debt from a previous election, these receipts must be utilized to pay down the primary debt, rather than to support the daily operations of the committee. Please amend your report(s) to clarify the nature in which this debt retirement money is being distributed. (11 CFR §110.1(b)(3))

Unlike previous election cycles, **you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
